

**SIREN DEVELOP THE BUST**

**SHE'S A QUEEN SHE'S A SIREN**

is an expression that is always heard at sight of a well developed woman. If you are flat chested, with BUST undeveloped, a scrawny neck, thin, lean arms—the above remark will never be applied to you. "SIREN" wafers will make you beautiful, bewitching. They DEVELOP THE BUST in a few weeks from 3 to 6 inches and produce a fine firm, voluptuous bosom. They fill out the hollow places. Make the arms handsome and well modeled and the neck and shoulders shapely and of perfect contour.

Send for a bottle today and you'll be pleased and grateful. "SIREN" wafers are absolutely harmless, pleasant to take and convenient to carry around. They are sold under guarantee to do all claim or MONEY back.

Price \$1.00 per bottle. Inquire at good drug stores or send DIRECT to us.

**FREE** During the next 30 days only—we will send you a sample bottle of these beautifying wafers on receipt of 10 cents to pay cost of packing and postage if you will mention that you saw the advertisement in this paper. The sample alone may be sufficient if defects are trivial.

Desk 22 ESTHETIC CHEMICAL CO., 31 West 125th St. New York.

**To the First 500 Children**

Bringing this "Ad." and opening an account, we will deposit the first 50 cents, conditional that the child deposit 50 cents at time of opening account and one dollar per month for eleven months. The account will then be worth \$12.00 besides 5 per cent. interest and is subject to withdrawal according to State law. Remember your account is secured by real estate. Children under fourteen eligible.

**HIS PROOF.**

It Satisfied the Conductor, and There Was No Further Trouble.

"Fare, please."  
"I paid my fare."  
"If you paid your fare, I wouldn't be here asking you for it."  
"Oh, you're one of those bright conductors who never make a mistake, eh?"

"I'm bright enough to know you're trying to beat the company."  
"Yes?"  
"That's what I said."

"You run right along now. I want to finish this story in the paper about the fight."

"What fight is that?"  
"Why, a fresh conductor thought he'd bulldoze a passenger out of a second fare, and he got an awful thrashing."

"You can't bluff me."  
"That's what the passenger said as he handed out an uppercut."  
"Then you won't pay, eh?"  
"Not a second fare."

"Say, when did you get on this car, anyway?"  
"About a week ago, it seems to me. I got on at Beverly street."

"Oh, you did! Maybe you can mention a few things that happened to show you got on away back there?"

"Sure thing. At Blank street four people got on, and you only rang up three fares. At James place you took a quarter from a woman and bluffed her out of the change. At Nelson avenue you collected six fares, but the company will only get three. At Lany street you—"

But at this juncture the conductor seemed to have very important business on the back of the car. At any rate, he hurried back there, and for the next twenty minutes he was as frustrated as an old maid about to make a leap year proposal.—A. B. Lewis in Judge.

**Regular Feud.**

"Yes," sighed the suburban man, who had just moved in, "at the last place I had the prettiest row of tulips that ever bloomed until my neighbor's chickens scratched them up."

"And did you kick?" asked his new acquaintance.  
"You bet! I got a big tomat to lay for his chickens."

"What then?"  
"Why, the next I knew he had bought a ferocious bulldog to lay for my Tom."

"H'm! And did that end the trouble?"  
"Oh, no. I borrowed a wolf from an animal trainer to kill the bulldog."

"War to the knife, eh? What was the next chapter in the bitter feud?"

"There was none. I heard that he was about to purchase a tiger to kill my wolf, and as I couldn't afford the price of an elephant to kill his tiger I thought it best to move."—Chicago News.

**"A Heavy Plunger."**

Priscilla Explains.

"Did you break this vase, Priscilla?"  
"It would be somewhat at variance with the truth, madam, to personally assume the fracture. The vase slipped from my fingers. It was the abrupt collision with the floor that caused its disintegration."

And of course when you have a Boston girl in the kitchen an explanation like that has to go.—Cleveland Plain Dealer.

Literal Interpretation.

"So you don't believe in the story of Jonah and the whale?"  
"No," answered Mr. Meekton thoughtfully.

"How do you suppose it originated?"  
"Well, I suppose Jonah had been away from home for some time and had to tell his wife something."—Washington Star.

Refined Torture.

"Lil, you just ought to have heard how Miss Capsicum talked the other day when she was real mad. You don't know what you missed."  
"What did she say, Jen?"  
"Gracious! You don't expect me to say the dreadful things she said, do you?"—Chicago Tribune.

Old Home Innocence.

Mrs. Hardapple—Gracious, Hiram, I hope the people around here won't send Zeke to the legislature any more.  
Mr. Hardapple—Why not, Mandy?  
Mrs. Hardapple—Why, he writes home that he killed three bills in two days. Suppose it should leak out?—Houston Post.
